**CRESTLINE HIGH SCHOOL  
CRESTLINE, OHIO  
VOLUME XXXIX**

Our thanks to the following people for supporting the 1967 Spectrum

John Berger  
Christopher Bertsche  
E. C. Brandt  
Louis H. Bresin  
H. M. Brooks  
F. B. Cattey  
Nelson Garner  
Charles Miller  
R. Douglas Myers  
T. D. Sawyer  
Leo Scanlon

# INTRODUCTION

To the scientist, the word **spectrum** denotes a complete, continuous range of electromagnetic wave frequencies. Spectrum at Crestline High School is excitement, people, classes, noise, teachers and fun! The 1966-67 academic, social, and physical year is best presented through the visual language of photography.

Faculty & Administration 124

# THE EXCITEMENT

Perhaps the most exciting period during the school year is football season. A winning team is always certain to inspire enthusiasm and the will to participate among the students and faculty members alike.

The thrills of a hard-fought game, the pageantry of Homecoming, the bonfires, snake dances, frozen fingers and sore throats all combine to make football season the biggest and most memorable of the year.

## THE PEOPLE

If you were to ask someone to describe a school you would be very likely to get a detailed description of a large brick building with large windows, several long corridors with lockers on either side, a gymnasium for sports events, an auditorium where concerts and theatrical productions are held, fluorescent lighting, a cafeteria where "food" is served and, of course, that terrifying den of horrors that strikes fear into the hearts of men—the office.

But a school is more than a cold lifeless building. A school is people. A school is the sum total of the minds and hearts of hundreds of human beings gathered together for the purpose of the gaining and imparting of knowledge—the knowledge of algebra, chemistry and English and, more importantly, the knowledge of life.

Some of these people stand out as bold individuals. Others are only faces in the crowd. In any case, each contributes something of what the school is. Each one's contribution, however insignificant it may seem, is a vital unit in the structure of the whole. Remove one person or add another and our lives are suddenly different.

# AUTUMN

## CHUCK BROOKS AND ROCKY ALT TAKE U.N. TOUR

Crestline Odd Fellows and Kiwanians cooperate in sponsoring a delegate to the United Nations each year. This year, however, enough money was raised to send both the delegate and alternate. Delegates are selected by the faculty on the basis of scholarship, leadership, and service.

Chuck Brooks and Rocky Alt, this year's delegate and alternate, toured New England and parts of Canada before their arrival in New York. During their seven day stay in New York, Chuck and Rocky learned first hand the operation of the United Nations.

## MARK BOGNER AND BILL FISHER ATTEND BOYS' STATE

Mark Bogner and Bill Fisher

Each year the Crestline post of the American Legion sends two boys to Buckeye Boy's State. The delegates are chosen by the faculty on the basis of leadership, intelligence and service.

This year Mark Bogner and Bill Fisher represented Crestline at Boy's State at Ohio University. The delegates learned of Ohio's government by actually competing for offices on State and local levels. After the elections the delegates governed themselves for the remainder of the nine day stay.

The knowledge and experience gained at Buckeye Boy's State will undoubtedly help the delegates to become good active citizens in the future.

## SHARON GORDON VISITS GIRLS' STATE

Each Year the Crestline Auxillary of the McWhitier Post sends a girl to Ohio Girl's State. This year Sharon Gordon was chosen by the faculty to attend the eight day assembly at Capital University. She was chosen on the basis of her intelligence and leadership ability. A few of Sharon's comments on her experience were:

"It was lonely at first, but you make friends soon . . . The campaigns were fast and furious but fun . . . You were surrounded by so much information about our government that you couldn't help learning . . . All in all, it was a week I'll never forget."

## EXCHANGE STUDENTS FROM ARGENTINA AND ITALY

Crestline High School was honored this year with two foreign exchange students. Vincenzo Morlini, the American Field Service student spent the year with the Harry Keplinger family; Roman Lenis, the National Catholic Welfare Conference student, lived with Dr. and Mrs. Louis Bresin. Both graduated with the Class of 1967.

Vince was born in Reggio Emilia, Italy. He played reserve basketball and was a member of Student Council, National Honor Society, AFS Club, Acappella Choir, and Journalism. Vince will study economics in college when he returns to Italy and hopes to become a teacher.

Roman was born in San Miguel de Tucuman, Argentina. He was a member of the wrestling team, National Honor Society, and Acappella Choir. Roman plans to attend college in Argentina and study to be a public accountant.

## 9 AND 1 SEASON SPARKS WILD ENTHUSIASM

The Bulldogs put forth their best effort in several years this season with a 9 and 1 record, good for the runner up spot in the JAC. A balanced attack of hard running, pin-point passing and hard-nosed defense provided ample thrills right up to the closing seconds of the last game.

Several of the Bulldogs were given special recognition for their consistently outstanding efforts. Among

those receiving Honorable Mention All-Conference were Jerry Berger, Jim Iiams, Mike Morton, Jim Sheehan, Carl Widman, Jeff Huml, Jim Croft, and Neal Evelyn. Rick Rita and Bob Sayre received All-Conference as well as Honorable Mention All-District. Quarterback Rocky Alt was named All-Conference, All-District, and All-Ohio.

## TWO IN A ROW!

For the second straight year Crestline's Art and Industrial Arts Departments combined to take first place honors among Exempted Village School Districts at the Ohio State Industrial Arts Exhibit. Projects ranging from coffee tables and stereo consoles to block prints and ceramics won a total of thirty-two blue ribbons.

This accomplishment is a direct reflection of the fine work being done by Mr. Paul Zwayer, Mr. Jim Klopfenstein, and Mr. Bill Klopfenstein, who together have built the Art and Industrial Arts Departments into extremely productive organizations which exert a great influence on the entire school.

# SOME ENCHANTED EVENING

It was some enchanted evening for the juniors and seniors at the 1967 prom. The festivities began with a banquet where guests were entertained by the beautiful voice of Mrs. Ames and a comical skit put on by members of the junior class. After the banquet a dance was held with the romantic setting of a southern mansion. From a showboat came the beautiful strains of music provided by Walt Kepler's Band.

A postprom was held at Park Lanes where everybody enjoyed playing pool and bowling.

## 107 GRADUATE ON JUNE SIXTH

On June sixth, commencement exercises were held at the athletic field for 107 graduating seniors.

Congressman Jackson E. Betts delivered the commencement address. He stressed strongly the value of constructive individualism and respect for law and order and the basic human rights.

## KIDDIES' DAY . . .

. . . THE DAY WHEN THE SENIORS PROVED BEYOND ALL SHADOW OF A DOUBT THAT CHRONOLOGICAL AGE BEARS NO RELATIONSHIP WHATSOEVER TO MENTAL MATURITY.

The year has come to an end. For the graduating seniors, it marked a turning point in their lives. Some will go on to bigger and better things. Some will go downhill. None will remain the same.

The graduates will undoubtedly strive for success. Each will have his own goal and will pursue it in his own way. However if any expects to achieve his goal, he must receive the inspiration that can only come from knowing one's self and realizing the basic underlying purpose behind all our lives.
